SEQUENCE ENDED

IT had to happen! All good sequences have to come to an end, and our 2-1 defeat at Burnley last Saturday ended an unbeaten run in the League of 19 matches, starting with our home fixture against Southampton on the first Saturday of December.

Naturally, it was a disappointing result for us, but the consoling factor was the good standard of football displayed by our players. Although we scored only one goal, it was, in the words of Mr. Keith Burkinshaw, our manager, "one of our best performances of the season".

It would not be an exaggeration for us to claim that we had 80 per cent of the play. The goal that won the match for Burnley was scored by **PETER NOBLE** in the 52nd minute, and from that point we pushed Steve Perryman upfield.

In making this tactical move, it may have seemed we were taking a chance with so much of the game left. In actual fact, we then had so much of the play that it wasn't really a gamble at all.

Burnley pulled so many players back into the 18-yard box that Spurs simply could not find the space to create clear-cut scoring openings. We must give Burnley credit for a terrific rearguard action, and Alan Stevenson, their goalkeeper, made several fine saves.

PETER TAYLOR had given Spurs the lead in the 20th minute. He burst through the centre to hit the ball from between 25 to 30 yards, and the ball hit the inside of the post and appeared to spin into the net off Stevenson's hand.

Some of our football, particularly in the first half, was absolutely top-class, and Colin Lee nearly added to our lead with a shot that Stevenson managed to tip round the post. We held our lead for only seven minutes, **BILL INGHAM** equalising from a cross by Terry Cochrane.

Burnley treated the match like a Cup final, and were absolutely determined to hold out. That they succeeded is no reflection on our own players, who also fought every inch of the way during that lengthy second-half spell in which we forced Burnley back.

It is only fair to Burnley to record that they had had their share of the play until Noble scored what proved to be the winner. Spurs had played well, but it was from that point until the final whistle that we were the really dominant team.

Losing this match was something of an injustice, although we recognise that only goals count. The match is, perhaps, best summed up from our point of view as "defeat with honour".

Our team was Daines; Armstrong, Holmes, Hoddle, McAllister, Perryman, Pratt, McNab, Jones, C., Lee and Taylor. Ian Moores stood by as substitute.

We now tackle BOLTON WANDERERS, to whom we extend a cordial welcome this afternoon. Their 2-0 victory over Orient in Lancashire last Saturday brought them level on points with Spurs, and they have a game in hand. The stage is set for a tremendous tussle and we look forward to a memorable match.

Spurs 3 Millwall 3

1 Chris Jones gives Spurs an early lead in the home match with Millwall.

2 Glenn Hoddle equalises for Spurs shortly before half-time.

3 Chris Jones regains the lead for Spurs with another spectacular header.

LEAD LOST

The Reserves lost an early two-goal lead against West Ham United here in the Football Combination last Saturday to finish with a 2—2 draw.

Our goals were scored by **RALPH COATES** and **STUART BEAVON**, but **BILLY JENNINGS** reduced our lead before half-time. In the second half of a match never lacking in incident, **TOMMY HORAN** equalised for the Hammers. In the 68th minute Joe Simmonds replaced Tom Heffernan. Team: Kendall; Holyoak, Gorman, Bowgett, Heffernan (sub. Simmonds), Hughton, Hazard, Galvin, Falco, Beavon and Coates.

On Tuesday evening the Reserves lost 2—1 at Southampton in the Combination. Southampton took the lead from a penalty kick and scored again before half-time. **MARK FALCO** netted Spurs' goal from a pass by Mike Hazard in the closing minutes. Team: Kendall; Hughton, Gorman, Bowgett, Holyoak (sub. Hazard), Moores, Galvin, Stead, Falco, Beavon and Coates.

The Youth team lost 3—2 to West Ham at Chadwell Heath last Saturday in Division 1 of the South East Counties League. **GARRY BROOKE** scored an early goal for Spurs, but West Ham were winning 2—1 at half-time. **GARY MARCHANT** equalised after a good move with Brooke, but the Hammers snatched victory with a penalty kick. Team: Batchelor; L. Meade, Hamill, C. Candler, G. Brown, A. Costello (sub. S. Wilson), P. Southey, L. Lisanti, Brooke, G. Marchant and S. Mabey.

CUP SEMI-FINAL . . .

Our main interest and concern this afternoon is our match with Bolton, but a short distance away at Arsenal's ground, Ipswich Town and West Bromwich Albion will be battling away in the semi-final of the F.A. Cup.

The match at Highbury starts three quarters of an hour later than our own today, and we shall therefore have to wait a bit longer than usual for a result that is not only of general interest to us, but is also of great importance to us as a club.

If the match at Highbury ends in a draw, the replay will be held on this ground next Tuesday evening, 11th April, kick-off 7.45. As the other semi-final, on Chelsea's ground today, is between Arsenal and Orient, a London club is assured of a place in the final, and another meeting on this ground between Ipswich and West Bromwich, with the winners facing London opposition, would therefore command enormous interest.

We regard it as a compliment that our ground should have been selected as a replay venue. Only clubs with the capacity and facilities are considered for matches of this kind. For details on sale of tickets, see page 11.

The last time our ground was used for a semi-final tie in the Cup was in 1970, when Chelsea defeated Watford here by 5—1. That was, of course, the first match, played on a Saturday. The gate figure that day was 55,209.

. . . HONOURS

In addition to GLENN HODDLE, who had played in the first match on Manchester City's ground last month, CHRIS JONES was named in the England Under-21 squad for the return European championship quarter final in Rome on Wednesday. It's good to see Chris moving into representative circles.

On the same evening JIM HOLMES was due to play for Eire against Turkey in Dublin.

ON COURSE . . .

The Sportsman Club London Professional Footballers' Golf Championship will be held tomorrow at Sudbury, Wembley, starting at 11.15. We expect DON McALLISTER, JOHN GORMAN, JOHN DUNCAN, CHRIS JONES and IAN MOORES to represent Spurs.

An individual scratch tournament also will be held in which we will be represented by PAT WELTON, our assistant manager.

. . . REARRANGED

The selection of Arsenal's ground for a Cup semi-final today meant the postponement of our away Football Combination match with the Gunners. This fixture has been rearranged for Tuesday, 18th April, kick-off 2.30 p.m.

CHESHUNT NEXT WEEK . . .

Our home Football Combination fixtures with Queen's Park Rangers and Birmingham City, postponed earlier in the season, will be played at our Cheshunt training ground next week. Rangers will play us on Monday next and Birmingham will be our visitors next Wednesday. Both matches will kick-off at 3 p.m.

. . . WINNERS

Congratulations to our Youth team on winning the Viking Cup tournament held during the Easter week-end.

We were grouped with Portsmouth, Luton Town and IFK (Sweden) in the four-club qualifying section. We won our section by defeating Portsmouth 5—0, drawing with Luton 2—2 and defeating IFK 8—0 in that order, and faced Long Buckby, a Northamptonshire club whose first team play in the United Counties League, in the semi-final.

We drew 2—2 with Long Buckby but qualified for the final on penalties. In the final our team crushed West Ham United 5—0 with goals from MARK FALCO 2, JOE SIMMONDS, GARRY BROOKE and RAY RYAN.

The tournament was scheduled to take place at Northolt, but the condition of the pitches led to a switch of the qualifying group matches on Easter Sunday to Wormwood Scrubs. The semi-finals and final were played on Easter Monday at our Cheshunt training ground.

The trophy, which remains ours permanently, is a handsome model of a Viking ship.

DAUGHTER FOR JOHN . . .

Congratulations to JOHN PRATT and his wife MARIE on the birth in St. Bartholomew's Hospital a fortnight ago of an 8 lb. daughter, Keeley Marie. After Keeley's arrival early on that Saturday morning, John dashed off to join the rest of our team for the match at Mansfield. John and Marie also have a three-year-old son, David.

. . . SUPPORTERS' DANCE

Spurs Supporters Club hold their "End-of-Season" dance and buffet at "The Chanticleer" on Saturday evening, 22nd April. For tickets at £4.50 and further information, please apply to the Supporters Club at Warming House, 744 High Road, Tottenham. Tel: 01-808 7430.

NEW COVER . . .

The match programme for our home League fixture with Sunderland a fortnight today will carry a new coloured action cover picture.

Burnley 2 Spurs 1

Top, Peter Noble's swallow-dive header eases the pressure on Burnley's goal in our match at Turf Moor last Saturday, and below, Don McAllister is prominent in another raid on the home goal.

WELCOME

Early this season BOLTON WANDERERS celebrated their centenary. The club was formed under its present title in 1877, and this would therefore seem to be an appropriate season for the famous old Lancashire club to regain its old place in the First Division.

In each of the last two seasons, Bolton only just failed to win promotion. After finishing in mid-table at the end of season 1974-75, they made an all-out effort in the following campaign, only to end up with one point less than West Bromwich Albion, third-placed of the promoted clubs.

Last season it was a similar story. With Wolverhampton, Chelsea and Nottingham Forest finishing in the all-important top three positions, Bolton were again fourth with one point less than Forest, the third-placed club.

It now looks like third time lucky, although good play rather than good fortune would seem to be the determining factor. Assessed on their general level of performance over the last three years, Bolton deserve a place in the First Division, and would undoubtedly be an asset to the top section of the League.

Bolton have a fine record in the F.A. Cup, and we have the recent memory of our own defeat at Burnden Park in the knock-out competition in January. Four times in the past have the Wanderers carried off the Cup, and on three occasions they have finished runners-up.

Bolton Wanderers 1977-78. *Left to right, back row:* Garry Jones, Steve Taylor (now Oldham Athletic), Roy Greaves, John Ritson, Mike Walsh, Brian Smith. *Middle row:* Alan Waldron (now Blackpool), Terry Poole, Neil Whatmore, Sam Allardyce, Jim McDonagh, Peter Nicholson. *Front row:* Tony Dunne, Ray Train, Andy Clements (now York City), Paul Jones, Peter Reid, Willie Morgan, Peter Thompson.

VISITORS

BOLTON WANDERERS

JIM McDONAGH (Goalkeeper). First joined Bolton on a temporary transfer from Rotherham United in August, 1976, and the following month the deal was finalised. Born at Ellesmere Port and graduated through Bolton's apprentice ranks to full professional status in June, 1970. Is well past the

250 mark in League appearances for Bolton.

SAM ALLARDYCE (Defender). Another of Bolton's home-produced players, although he comes from Dudley in the midlands. Joined Bolton straight from school and developed as an apprentice before signing as a full professional in November, 1971. Made his League debut at home to Notts County in November, 1973.

TONY DUNNE (Defender). Born in Dublin and an Eire international. Made his name with Manchester United, for whom he appeared in 415 League matches. Signed for Bolton in August, 1973 after leaving Old Trafford that summer.

ROY GREAVES (Midfield). Scored Bolton's first equaliser against Spurs from the penalty spot here in the 2-2 draw in the F.A. Cup in January, and also netted the goal that beat us in the League match at Burnden last November. After a spell on amateur forms, he signed his first professional contract for Bolton in January, 1965. Born at Farnworth, just outside Bolton.

ALAN GOWLING (Midfield). Signed from Newcastle United only last month. Born at Stockport and started his League career with

Manchester United, for whom he made 71 League appearances. Left Old Trafford for Huddersfield, who transferred him to Newcastle in August, 1975.

PETER REID (Midfield). Has played for the England Under-21 team. Born at Huyton, Liverpool, and joined Bolton straight from school. Another product of the apprentice ranks at Burnden, who was upgraded to full professional in May, 1974. Made his League debut for Bolton as a substitute at home to Orient in October, 1974. Noted for his accurate passing.

WILLIE MORGAN (Forward). A Scottish international who was a member of that country's last World Cup squad. Born in Glasgow and made a big name with Burnley before moving to Manchester United in August, 1968. Made 238 League appearances for United before moving to Bolton in March, 1976. Spent last summer playing in American football.

NEIL WHATMORE (Forward). Scored Bolton's second goal in the 2-2 draw here in the F.A. Cup in January. Born at Ellesmere Port and another product of Bolton's apprentice ranks. Upgraded to full professional in May, 1973 after scoring two goals on his debut at Swansea in a Third Division match in the previous month.

FRANK WORTHINGTON (Forward). A player of exceptional skill, who made eight appearances for England when he was with Leicester City. Born at Halifax, and made his name with Huddersfield. Left the Leeds Road club for Leicester in August, 1972, and stayed with the Midlands until his transfer to Bolton last October.

... HE'S IN CHARGE

IAN GREAVES, the manager of Bolton, was a full-back in his playing days with Buxton, Manchester United, Lincoln City and Oldham Athletic.

As a player at Old Trafford, he gained a League championship medal in 1956, and was in the United team beaten in the F.A. Cup final of 1958 by Bolton, his present club.

Ian was manager of Huddersfield for six years, and it was during his term of office at Leeds Road that we defeated his team in the final of the F.A. Youth Cup. An Oldham man by birth, he took over as Bolton's manager in 1974.

Here is the complete record of all past matches between Spurs and Bolton Wanderers in the Football League and F.A. Cup. Spurs' score is given first. Prior to this season, all our League meetings with the exception of those in 1908-09, were in the First Division.

LOOKING AHEAD

When **BRIGHTON AND HOVE ALBION** visited us last November, the match was played before a crowd of 48,613, easily our highest of the season on any ground.

Next Saturday we play the return match on Brighton's ground, and our first-ever Football League game on that enclosure seems certain to be played before a capacity crowd.

As we have stated in past programmes, the match at Brighton has been an all-ticket sell-out for weeks, and a memorable game, played in a cup-tie atmosphere, is in prospect.

The game on this ground last November ended in a goalless draw, and the task for our players is likely to be even harder at Hove. **ALAN MULLERY**, our former captain and half-back, has done exceptionally well in his first two seasons as Brighton's manager, and naturally enough, he will be keen to see his team triumph over Spurs.

We have our own aims, however, and we hope to leave Brighton with at least one point.

ROAD ROUTE

For supporters planning to travel to the Brighton match by road, the following route is recommended by the R.A.C.

Proceed from North London across London Bridge and continue via Borough High Street to the Elephant and Castle Roundabout. Take the exit signed "A.3 Kennington" to Kennington Park Road, later turning right on to the A.23—Brixton Road.

Continue ahead via Brixton Road to the one way system at Effra Road. Turn right on to the one-way system and then left on to Brixton Hill and continue by the A.23 to the Intersection with the M.23. Follow the M.23 to Pease Pottage Intersection (11) and then continue by the A.23 to Brighton.

On entering Brighton, turn right on to Shoreham and Worthing By-Pass and proceed by way of Mill Road and King George VI Avenue—bearing left—on to Nevill Road and the junction with Old Shoreham Road. Turn left and the ground is on the right.

There is parking space available at the Greyhound Stadium and some street parking is allowed but controlled by the police, so watch for any special signs, including diversions. The approximate distance from the Tottenham area is 53 miles.

SUNDERLAND HERE

On the following Saturday **SUNDERLAND** will play us here, and this will be our last Saturday home League match. The Wearsiders were relegated with us at the end of last season, and in their first season back in Division 2, they have failed to force their way into the promotion race.

When we played Sunderland on their own ground last December, we defeated them 2—1, **JOHN DUNCAN** scoring both our goals. A Spurs victory in a fortnight's time would therefore give us maximum points from the two games with our old rivals from the north-east.

SCRAPBOOK

JIMMY'S WINNER

Bolton's last appearance on this ground in a League match was in April, 1964, and it was our last home League match of that season.

Jimmy Greaves

Before the game Spurs stood sixth on the First Division chart and Bolton were twentieth. Their defeat by a single goal, scored in the first half by JIMMY GREAVES, who converted a cross by ALAN MULLERY, doomed Bolton to the Second Division.

A crowd of 31,776 watched the match and the teams were: **Spurs:** Brown, W.; Baker, Henry; Mullery, Norman, Beal; Jones, White, Smith, R., Greaves and Dyson. **Bolton:** Hopkinson; Hartle, Farrimond; Rimmer, Edwards, Lennard; Davison, Bromley, Lee, Hill and Taylor.

That proved to be the last match played on this ground by the late JOHN WHITE, who met his tragic death on Crews Hill golf course in the following July.

SPARKLING HARMER

The biggest-ever win by Spurs over Bolton was by 4—0 on this ground in December, 1956. TOMMY HARMER was in sparkling form for Spurs, and his display was well summed up in the following extract from John Fairgrieve's report in the *News Chronicle*.

Tommy Harmer

to MUDDAK HARMER
 THEY'VE been saying it all season. . . . "Just wait till the heavy grounds come along — see what Tommy Harmer can do then."
 Tommy, whose genius—yes, football genius—has helped to make Tottenham Hotspur one of the most attractive sides in Britain, knows all about the stick-in-the-mud theory.
 And he has been dying to prove them all wrong.
 On Saturday came his big chance and Tommy jumped on it with both of these twinkling feet. Against Bolton, in the thick mud, all the Harmer tricks were trotted out. Nobody played a bigger part in the 4—0 win.

Spurs led 3—0 at half-time with goals from TERRY DYSON, BOBBY SMITH and GEORGE ROBB. Harmer added to the score in the second half from a penalty. A crowd of 42,030 saw the match and the teams were—**Spurs:** Ditchburn; Baker, Hopkins; Blanchflower, Ryden, Marchi;

Dyson, Harmer, Smith, Stokes and Robb. **Bolton:** Hopkinson; Hartle, Threlfall; Hennin, Higgins, Edwards; Holden, Stevens, Lofthouse, Allcock and Gubbins.

GREAT NAMES

BERT SPROSTON, whose official title is "Team Attendant", is expected to be in his usual place on the bench for Bolton today.

Bert will be remembered by older Spurs supporters as a player who joined us from Leeds United in the summer of 1938. He had attained English international rank as a full-back with Leeds, but he could not settle here in London, and after only nine matches in our League team, he was transferred to Manchester City, with whom he spent several years.

In all, Bert made 11 appearances for England, two of them during his short spell as a Spurs player.

The record books show that JOE SMITH'S total of 38 goals for Bolton in 1920—21 still stands as the highest netted for the club by an individual in the League in one season.

Joe, who played five times for England, was an inside-left with a sledge-hammer shot, and was feared by defences wherever he played. After many years with Bolton, he moved to Stockport County, and as a manager he achieved further distinction with Blackpool after the last war.
